

Anarita Valley

PAFOS - CYPRUS

Modern homes in a tranquil village setting

Location

With easy access to Pafos International Airport and only few minutes drive from three different golf courses, Anarita village is located 14 km from the bustling town of Pafos and only a short drive to Limassol.

Anarita is an important agricultural village thanks to its hardworking inhabitants and the fertile natural surroundings.

Anarita Valley is set in the heart of the quiet traditional village of Anarita, which has all amenities, including several taverns. It is surrounded by a number of small villages offering a variety of restaurants, some offering live music. It is a few minutes from such mythological wonders as Aphrodite's rock and Aphrodite's temple.

Project

Anarita Valley is an attractive development of apartments and houses on the outskirts of the traditional Cypriot village of Anarita.

Set in a gently sloping valley, the project is surrounded by lush green fields.

Properties

Anarita Valley comprises a total of sixty-eight houses and forty apartments, all with contemporary, functional designs. Several houses and ground floor apartments boast private gardens and driveways.

The apartments have one, two or three bedrooms and many enjoy en-suites. The extensive uncovered verandas are ideal locations for al fresco dining and entertaining.

The carefully positioned 2 and 3 bedroom houses have private gardens and several enjoy roof terraces. Many homes benefit from two or more bathrooms.

Facilities

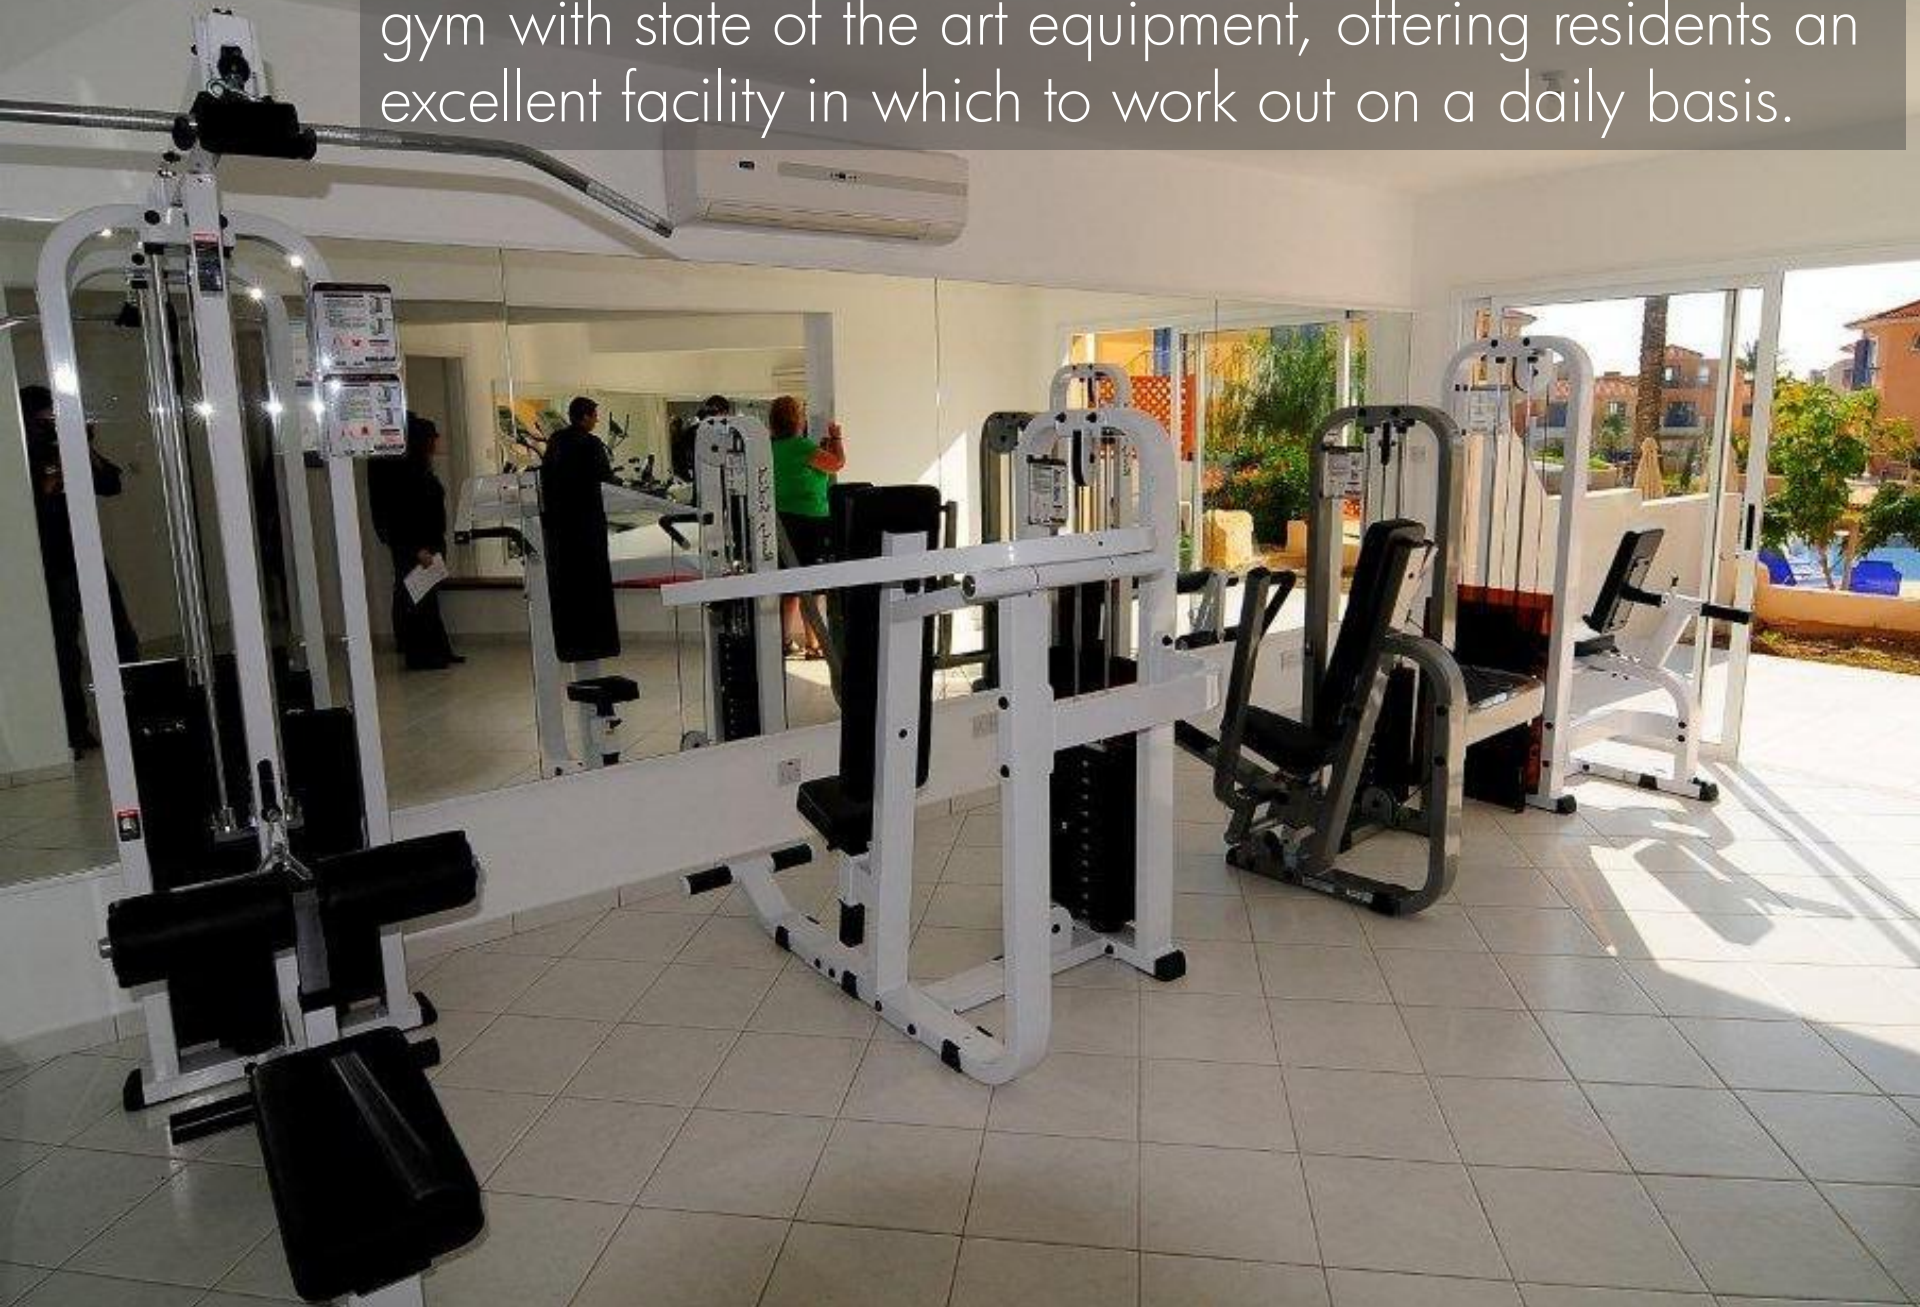

The grounds encompass outstanding leisure facilities, including two large outdoor pools featuring impressive central waterfalls.

Two large leisure areas with paved walkways and beautifully landscaped gardens create an open feeling within the development.

Discreetly situated within the development is a private gym with state of the art equipment, offering residents an excellent facility in which to work out on a daily basis.

Distances

14 km Pafos Town Centre
16 km Pafos Harbour

12 km Minthis Hills Golf
6 km Pafos International Airport
